

MANJEET MUST STAY IN THE UK

JOIN THE LOBBY OUTSIDE THE APPEALS
TRIBUNAL, MANCHESTER

9am-10am, Thursday 16th October

**HUMAN RIGHTS CAMPAIGNER AND WHEELCHAIR USER
MANJEET KAUR URGENTLY NEEDS YOUR HELP AS SHE
APPEALS A HOME OFFICE EVICTION DECISION**

Manjeet, Chair of RAPAR, is facing eviction from her home of 3 years in Whalley Range because her asylum case is deemed by the Home Office to be at an end. Yet, in the view of her lawyers, successive judges have failed to examine the core issues of her case. The Home Office is prepared to evict a disabled woman who uses a wheelchair onto the streets when the facts of her asylum case have not been properly considered. HELP STOP THIS. Join trade unionists, disability and equal rights activists, and other campaigners at the lobby in support of Manjeet Kaur.

Speakers: Elizabeth Coleman (Quakers), Pete Kalu (Author), Farid Vahidi (RAPAR Leadership). Supported by Deyika Nzeribe (Green Party), Maurice Shaw (PCS), more to be confirmed.
