

Winter Appeal: Don't let them freeze

Solidarity with refugees and migrants in Calais

WE STAND IN SOLIDARITY with the refugees and migrants who have gathered in Calais seeking to enter Britain.

Stand Up To Racism will be taking a

delegation to Calais on 11-13 December to highlight the severe winter conditions refugees are living in – and to take over much needed collections.

We ask people to donate, collect

cash at work, at their trade union branches and elsewhere.

We will take the collection over to France to ensure refugees have some of the essentials during the holiday period.
