

KEEP OLAYINKA SAFE IN THE UK

MAKE A STAND AGAINST FEMALE

GENITAL MUTILATION

Olayinka is a 16 year old girl living in Rochdale who is at serious risk of Female Genital Mutilation if she and her family return to Nigeria. A serious threat is posed from her paternal family who believe that bad things have happened to the family because she has not undergone the procedure, including her fathers death. The home office want to deport Olayinka and her family.
